Subject: currently available certification flags in AQS
Date: Tuesday, April 30, 2013 2:47:02 PM

Following are certification flags that are available in AQS as of 4/30/13:

- M - The monitoring organization has revised data from this monitor since the most recent certification letter received from the state.
- N - The state did not submit a required certification letter and summary reports for this monitor even though the due date has passed, or the state's certification letter specifically did not apply the certification to this monitor, or the monitoring organization has submitted the certification letter and required summary reports, but EPA has determined that issues regarding the quality of the ambient concentration data cannot be resolved.
- S - The monitoring organization has submitted the certification letter and required summary reports and is requesting certification for this monitor, but the certification request has not yet been reviewed by the EPA.
- Y - The state has submitted a certification letter, and EPA has no unresolved reservations about data quality.
